### **Disclaimer: Not Financial Advice**

The content and resources available on this server are not intended to constitute financial advice and should not replace consultation with a qualified professional who understands your specific circumstances. I am not an attorney, accountant, or financial advisor, nor do I claim to be one. While I endeavor to ensure the accuracy and usefulness of the information provided on this server and its downloadable resources, nothing here should be interpreted as a recommendation against consulting with a financial professional regarding your individual situation. All investment or financial opinions shared are based on the server owner's personal research and expertise and are intended solely for informational purposes.

I accept no liability for any loss or damage you may incur.

## **No Exchanges, Returns, or Refunds**

By using this server, you acknowledge that you have read and accepted this disclaimer.

### **License Agreement for End Users:**

This is an agreement ("Agreement") between you and Hawk Tradings, LLC for The Hawk software. Please read this Agreement carefully, as it contains important terms that may affect you and how you use the software. By installing, copying, or using the software, you agree to be bound by the terms of this Agreement.

### **"The Hawk" License Agreement:**

There is no assurance that any account will achieve gains or losses similar to those shown; in fact, significant discrepancies often exist between theoretical performance results and the actual outcomes achieved by any given trading program. One limitation is that hypothetical performance results are typically presented with the benefit of hindsight. Additionally, there is no financial risk associated with hypothetical trading, and no hypothetical trading record can fully capture the financial risk associated with real trading
